

An easier way to pay your premiums

Blue Cross and Blue Shield of North Carolina (BCBSNC) offers you an easy way to pay your premiums. Easy Pay Blue is our convenient monthly payment service – your premium is automatically withdrawn from your checking account each month.

Once you're enrolled, your deduction will appear on your monthly bank statement. You don't ever have to worry about writing a check or mailing your payment! We don't charge our members for this convenient service, although some banks may charge a fee for automatic bank drafts. Check with your bank for terms and details.

Important Information:

By signing this form, I certify that I am an authorized user of this bank account. I have chosen the Bank Draft Option; as a convenience to me. I hereby request and authorize Blue Cross and Blue Shield of North Carolina (BCBSNC) to initiate the debit to my bank account payable to the order of BCBSNC.* I agree that BCBSNC's rights in respect to each bank draft shall be the same as if it were a check drawn on my bank account, and signed by me personally. I also authorize the financial institution to reduce the balance of my bank account by the amount of the bank draft. This authorization will remain in effect until I revoke it in writing at least 30 days prior to the date the account is scheduled to be charged. I agree that if such charges be dishonored, whether with or without cause and whether intentionally or inadvertently, BCBSNC shall have no liability whatsoever even though dishonor results in forfeiture of insurance. BCBSNC may attempt to debit my bank account up to three times for each month's premium to ensure no lapse in coverage. Please note that the use of an employer account requires the authorization of an authorized user of the account. The employer should consult with legal counsel before agreeing to pay for an employee's Medicare Supplement policy.

* BCBSNC does not charge a fee for this service; however, your bank may charge a fee.
